However, with some supplements, the text could certainly be used in a survey course in American History or American Studies. Content Accuracy rating: 3 A text can be factually accurate, but it can avoid topics, minimize topics, and underdevelop topics, and this was something that I found to be a problem with US History.

U.S. History - Open Textbook Library

The Survey Center on American Life, a project of the American Enterprise Institute, is a nonpartisan, nonprofit organization dedicated to understanding the way cultural, political, and technological changes are shaping the lives of ordinary Americans. The Center conducts original survey research focusing on critical issues in American public and private life that are not often featured in ...
