"Lord, teach us to pray" (Luke 11:1). During Jesus' earthly ministry, the disciples made this request of Him. He answered them with what has become known as the Lord's Prayer. Today, nearly 2,000 years later, do we as followers of Jesus Christ have a passion for prayer? Do we desire to speak with our heavenly Father? And are the prayers we utter effective? In this handy pamphlet, perfectly sized to slide into your Bible or notebook, Mark Bubeck offers twenty prayers, rich in doctrine, to help Christians triumph in their spiritual battles. Model prayers include those for revival, repentance, intercession, protection from the Enemy, unity in the Body, and wearing the Armor of God. Learn to pray like the disciples did-by example.

It has been said that Lucifer knows very well that one authentic Kingdom builder and warrior rightly equipped for warfare can strike terror and wreak havoc in the kingdom of darkness. Why? By the covenant of His own blood, Jesus has made us unto our God kings and priest to reign on the earth. As a king, you have a kingdom and your kingdom is under attack! It is being overrun and violated by demonic kings and kingdoms! Let me ask you a question, if according to Jesus, since from the days of John the Baptist until now, the kingdom of heaven suffers violence, what do you think has happened to your kingdom? The secret to possess the kingdoms of your enemies is through the Word, and prayer! As a king, you have the power to decree and declare the Word of God for it to be established. In this book, you will learn how: To avoid feeble, spiritless, faithless, halfhearted, and spineless prayers. Why? Here is a mystery: In the realms of the spiritual, the weaker spirit bows to the stronger power! Therefore, to dethrone demonic kings and other ruling personalities, and entities over your life: You need to arm all areas of spiritual vulnerabilities in your life. You need to pray with a plan, passion, purpose, power, precision, persistence, and perseverance. You need to pray with faith, firepower, intensity, and expectancy based on the Word at all times. To enter into the Kingdom of heaven, you must be triumphant in many fierce secular trials, and spiritual battles. For these fights, you need anointed weaponry as revealed in Prayer Toolbox Volumes 1 and 2. Do you want to be in control of your destiny, and become a regional taker, a nation changer, and an overcomer of the world? Here is a secret: To legally battle and rout demonic kings and kingdoms, you need the backing of a more powerful king. Fear Not! You have Jesus, the only King of Kings and the Lord of Lords, your Commander-in-Chief to back you up. God has given us, the power of His Word in our mouths to defeat, and destroy nations and overthrow the kingdoms! (Jeremiah 1:10 NKJV) You are the mouthpiece of God, His instrument of dominion to release into His Kingdom, deliverance, restoration, peace, healing, prosperity, protection, and much more on earth!

This issue of The Ministry contains the final group of eight messages given during the 2004 fall term of the Full-time Training in Anaheim, California. The general subject for this line of messages is the intrinsic significance of the Lord's recovery for the building of the church as the house of God and the city of God. With the first message of this volume, six crucial words are introduced which are related to the intrinsic situation and need in the Lord's recovery. The first three words--purification, education, and reconstitution--are related to the ministry of Ezra, who not only enriched the recovery but, in particular, purified the recovery. The other three words--separation, protection, and expression--are related particularly to the ministry of Nehemiah with its pure, absolute, and aggressive leadership. The ministry of Ezra with the elements of purification, education, and reconstitution make up the intrinsic need in the Lord's recovery today. The leadership of Nehemiah comes after the ministry of Ezra. Nehemiah principally took the lead to build up the wall. The wall is the intrinsic significance of the city. To build up the wall and the temple is to build up the church as the house of God for the expression of God. To build up the wall with the city is to build up the church as the kingdom of God for the dominion of God. Both of these aspects of building up the church as the house of God and as the kingdom of God were so that God could have a corporate man in His image to express and represent Him with His dominion. These are for the full accomplishment of the economy of God, that is, to build up the Body of Christ, to usher in the kingdom of Christ, and to consummate the New Jerusalem. Last of all, we include reports concerning the distribution of the ministry in Romania and in Poland.

This issue of The Ministry contains a complete record of the twelve messages given during the 2004 winter training on the Crystallization-study of 1 and 2 Timothy and Titus, held December 20-25 in Anaheim, California. The crucial truth and burden embodied in these twelve messages may be summarized in four statements: (1) God's economy--His household administration--is to produce and constitute the Body of Christ by dispensing Himself into our being to make us the same as He is in life and nature but not in the Godhead. (2) The church of God is the house of the living God, the pillar and base of the truth, and the great mystery of godliness--God manifested in the flesh. (3) We must be inoculators, those who inoculate others against the decline of the church, by exercising our spirit and remaining in the healthy teaching of God's economy. (4) We must be inoculators, those who inoculate others against the decline of the church, by being a man of God with the breath of God. These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth. Because of the particular nature and length of this issue, the usual section of reports concerning the Lord's move throughout the earth has been omitted. We have, however, included a calendar, giving the dates and locations of the seven Living Stream Ministry conferences and trainings--the seven annual feasts--for 2005. One cannot measure the benefits derived during these feasts from the Lord's rich speaking in His ministry and the mutual blending and building up of the saints and the churches in the Lord's recovery from every continent.

In the Hands of God is a true story of miracles, redemption, and the return of a prodigal son and his journey home through the understanding of the Scriptures that helped him see his way through the enemy's maze of deceit, fighting demons and cheating death along the way!
