Lucy Greal, author of *Autobiography of a Face*, takes her readers step by step through her story, memories, and emotions of her life with jaw cancer. Diagnosed at age nine, as a young girl Lucy grows up feeling more comfortable in hospitals than out in the world. The surgical removal of 1/3 of her jaw left her face unbearably disfigured.

Moral Of Autobiography Of A Face

Autobiography of a Face is a memoir by Lucy Grealy in which she narrates her life before and after being diagnosed with Ewing's sarcoma. The memoir describes her life from the age of nine to adulthood. In this memoir, she narrates the consequences of the disease in her emotional life as well as the physical implications that it had on her face, which resulted in a lifetime of self-consciousness.

Autobiography Of A Face

Lucy Grealy. Autobiography of a Face: Lucy Grealy The psychology of beauty is complex not just because the concept of beauty is as yet undefined, but also because it is largely true that beauty lies in the eyes of the beholder or how individuals perceive other people or things. The importance of beauty has been taught since the first civilizations.
