MIT Press began publishing journals in 1970 with the first volumes of Linguistic Inquiry and the Journal of Interdisciplinary History. Today we publish over 30 titles in the arts and humanities, social sciences, and science and technology.

~~Bicycling Science | The MIT Press~~

An updated edition of a classic: an indispensable companion for a new era in cycling. The bicycle is almost unique among human-powered machines in that it uses human muscles in a near-optimum way. This essential volume offers a comprehensive account of the history of bicycles, how human beings propel them, what makes them go faster—and what keeps them from going even faster.

The MIT Press and Bicycling Science made me a guru. It was all a mistake. I found myself enjoying life in the US after teaching for two years in northern Nigeria. I felt guilty. My coming over from Britain in 1961 apparently dealt the pound a nasty blow, because I was not allowed to transfer my exiguous savings over here. So I thought, "I ...
