Black Butler, Vol. 28: Amazon.co.uk: Toboso, Yana ...

Black Butler volume 29 proves that readers should be prepared to buckle in for quite a while. The manga is likely going to cover a few fronts before really settling back on the titular character and his young master, let alone show the inevitable reunion (or rather, re-reunion) between brothers. Before Toboso sets up the next phase of the manga, first she does some check-ins with Soma, the ...

In the hinterlands of Germany, the servants of the Phantomhive house are at a loss when their master, Earl Ciel Phantomhive, is both physically and mentally debilitated by the curse of the Wolfman that roams the Werewolves' Forest. In the face of his master's pitiful new demeanour, consummate butler Sebastian, disillusioned, viciously takes Ciel to task, citing a breach of contract. As the Phantomhive household's crisis unfolds, the sulphurous miasma of the Werewolves' Forest encroaches ever more upon the village ruled by the Emerald Witch...

For an impeccable gentleman's butler like Sebastian Michaelis, the word "impossible" is just not in his vocabulary. Everything demanded of him under the English sun is well within his grasp. But do his talents extend to things under the scalding Indian sun?! As Harold West-Jeb's plan to use Agni, Prince Soma's superhuman butler, in a curry battle to win himself a Royal Warrant is exposed, Earl Ciel Phantomhive sets Sebastian to the task of creating an incomparable curry to defeat the despicable West-Jeb. But how can Ciel's devil of a butler possibly best Agni, the man with the Right Hand of God?!

As high society's social calendar opens up and the Season draws to a close, London is gripped by fear. Someone has taken to stalking women of the night and painting the town red...in their blood. The name on everyone's lips seems to be "Jack the Ripper" - and as a result, the name on Queen Victoria's lips is Phantomhive. Summoned to London to clean up the mess created by this madman, Ciel Phantomhive arrives with Sebastian, his extraordinary butler, at his side to pour him tea, polish his silver, and...investigate a serial killer. And with the aid (and occasional interference) of a few of the Phantomhive house's numerous acquaintances, little stands in the way of the young earl getting to the bottom of this mystery. However, one question remains...can he handle the shattering truth behind it?

Just a stone's throw from London lies the manor house of the illustrious Phantomhive earldom and its master, one Ciel Phantomhive. Earl Phantomhive is a giant in the world of commerce, Queen Victoria's faithful servant...and a slip of a twelve-year-old boy. Fortunately, his loyal butler, Sebastian, is ever at his side, ready to carry out the young master's wishes. And whether Sebastian is called to save a dinner party gone awry or probe the dark secrets of London's underbelly, there apparently is nothing Sebastian cannot do. In fact, one might even say Sebastian is too good to be true...or at least, too good to be human...

The truth of what happened three years ago comes to light, as the past Ciel sought to erase is thrust in his face. The revelations shake the Phantomhive manor to its foundations, and even Sebastian, the resident devil, can only look on in admiration at the consummate gamesmanship at play. The Phantomhive blood, it would seem, runs thick with the thirst for vengeance...

Whispers turn into screaming headlines in Earl Ciel Phantomhive's morning paper as word of the dead being resurrected takes society by storm. But when the unsavoury details of the business reach Ciel's ear, he and his superlative butler, Sebastian, book themselves on a luxury liner to look into these alleged miracles and the "Aurora Society" conducting them. As the waters lap and crash all around the vessel, mysterious individuals gather under the banner of the "Phoenix." Ciel and Sebastian may be one step closer to the truth, but have they sealed their fates by conducting an investigation on what could easily become a floating coffin...?

Earl Ciel Phantomhive and his invincible butler, Sebastian, have thusfar been foiled in their attempts to seek an audience with the headmaster of Weston College. To further their investigation, the sole option that remains is the exclusive "Midnight Tea Party" hosted by the

elusive school head. And the only way Ciel, earl or no, can land a seat at that table is by earning the title of e Most Valuable Player in the College's annual cricket tournament. Selected from each house, students in the springtime of youth battle among the wickets on the spring-green lawn. Will the usually unperturbed young earl be bowled over by this unexpected turn of events?!

Having successfully infiltrated the Noah's Ark Circus in the guise of rookie performers, Earl Ciel Phantomhive and his butler, Sebastian, set about gathering clues backstage as to the whereabouts of the missing children. But when a turn at a snooping puts Ciel on the trail of a man whose identity is shrouded in mystery, he sets his consummate manservant to the task of investigating further. This time, however, Sebastian must call upon one of the more infamously wicked skills of his kind to solve the puzzle. As he stalks his vulnerable prey in the shadows of the fairgrounds, is his young master prepared for where the ill-gotten gains of his butler's methods will lead?

While Earl Ciel Phantomhive, accompanied by his indomitable butler, Sebastian, is away on the trail of his quarry, Blavat, the sound of gunshots rends the silence of his London town house. A scene of carnage awaits master and servant upon their return, along with a chilling message from the forgotten past that shakes the young earl to his core...

The veil of mystery cast over the Aurora Society's "absolute salvation" is torn away, and the true mastermind behind the scheme steps forward at long last. In the ensuing battle, Earl Ciel Phantomhive looks on in horror as Sebastian, his infallible manservant, is struck down by the death scythe of an unforeseen combatant. Devil though he may be, even Sebastian is not immune to the blade of a reaper's scythe. As Sebastian's cinematic record spills forth, the tale of how a devil became a butler to a little lost lord flickers to life in shades of sepia, blood, and ash...
