# Download Free Chronicles Of Narnia Literature Study

The Chronicles of Narnia is a series of fantasy novels by British author C. S. Lewis. Written by Lewis, illustrated by Pauline Baynes, and originally published in London between 1950 and 1956, The Chronicles of Narnia has been adapted for radio, television, the stage, and film.

~~The Chronicles of Narnia - Wikipedia~~  
The books of The Chronicles of Narnia happen in a different chronological order than their order of publication, with *The Magician's Nephew* (1955) relating the first events that happen in Narnia, rather than *The Lion, the Witch and the Wardrobe* (1950), which is usually read first in the series. In addition, there are two timelines to account for in the stories: the timeline of England and that of Narnia.
