Spectrum Language Arts and Math: Common Core Edition helps take the mystery out of current academic standards for busy parents. This unique resource for kindergarten to grade 5 provides easy-to-understand overviews of Common Core learning standards for each grade level. Each title includes more than 100 skill-building practice pages and more than 100 sturdy cut-apart flash cards. The handy cards make it easy to review important skills quickly at home or on the go. You will find all of the focused, standards-based practice your child needs to succeed at school this year.

Now that the Common Core standards are coming to just about every school, what every school leader needs is a straightforward explanation that lays out the benefits of the Common Core in plain English, provides a succinct overview, and gets everyone thinking about how to transition to this promising new paradigm. This handy, inexpensive booklet helps you get everyone in your school community--teachers, parents, and other stakeholders--up to speed. Circulating multiple copies throughout your school will provide an overview of the new standards in English language arts/literacy and mathematics, highlighting their key aspects. Plus, there are numerous suggestions on transition activities for teachers and districts to consider, including: (1) Creating a Crosswalk, which compares the content of the Common Core with your current standards; (2) Developing transition documents that support deeper understanding of the Common Core standards by using current standards as a bridge; and (3) Taking the longer view of implementing the Common Core systemically.
