M. 3.0 out of 5 stars This is NOT a book about how to make your cooking more beautiful. Reviewed in the United States on April 15, 2018. Format: Hardcover Verified Purchase. I thought this would be a book about how to make your meals look more beautiful. I would not normally rate down a book for my own misunderstanding, but the title and blurb makes it sound like this is what this is: "In Cook Beautiful, Athena reveals the secrets to preparing and presenting unforgettable meals..."
