Kleiber (1930-2004)

was the greatest conductor of his generation. His reputation is legendary, and yet astonishingly, in his five decades on the podium, he conducted only 89 concerts, some 600 opera performances, and produced 12 recordings.

and corresponding

appendices--consists almost entirely of letters, cards, and

faxes between the

author, Charles

Barber, and his

subject, Carlos

subtitle reads, "A

book is not, even by
