EGR Problems. In order to lower NOx emissions, later Series 60 engines come equipped with an EGR. This system is often complained about as the cause of engine issues.

# Where To Download

This is particularly true of the EGR cooler. If you're having a problem with your EGR cooler, you might notice an exhaust leak, especially white exhaust. This can indicate a coolant leak.

## **Detroit Diesel Series 60 Common Failures and Problems ...**

Almost by definition, truckers have always

# Where To Download

been practically  
obsessed with engine  
reliability fuel mileage.  
To meet the demand for  
a new type of engine  
that would help usher  
turbo-diesels into this  
millennium, Detroit  
Diesel (a subsidiary of  
Chrysler AG)  
introduced the Series 60  
as its industry trump car.
