Digger the Dinosaur may be huge, but he has the heart of a preschooler. He loves to help but gets mixed up a lot. In Digger the Dinosaur, Digger wants to play baseball with his friends. But he isn't allowed to go out until he's cleaned his room. Digger starts cleaning at top speed, but the faster he moves the messier his room gets. His big tail and big feet aren't helping! Will Digger win the race to tidy his room and get to the game on time? Gynux's full-color illustrations capture Digger's lovable personality. Digger the Dinosaur is a My First I Can Read book. That means it's perfect for shared reading with a child.

Though his friend Spikey teases him, Little Dinosaur is eager to be ready for his first day of school.

Danny loves dinosaurs. When he sees one at the museum and says, "It would be nice to play with a dinosaur," a voice answers, "And I think it would be nice to play with you." So begins Dannys and the dinosaur's wonderful adventure together! But a dinosaur is no ordinary playmate. Even the most everyday activities become extraordinary, like finding a big-enough place to hide a dinosaur in a game of hide-and-seek, and keeping him from knocking over houses with his long tail. But Danny can teach a old dinosaur new tricks. It's the most fun this dinosaur has had in a hundred million years! Originally published as An I Can Read Book over 40 years ago, this classic story is perfect for reading together. Danny's out on the town with a real live dinosaur. And whether they're eating ice cream or playing hide-and-seek, these two are having one hundred million years of fun--all in one day. Outstanding Children's Books of 1958 (NYT)

Mother and child ponder the different ways a dinosaur can say goodnight, from slamming his tail and pouting to giving a big hug and kiss, in a picture book featuring ten sleepy dinosaurs which includes the names of each dinosaur on the end papers.

Illus. in full color. Difficult dinosaur names are simplified with phonics.

Imagine if instead of getting the usual lollipop or sticker everywhere you go, there was something bigger on offer... something much, much bigger! This is exactly what happens when a little boy accompanies his mum on a busy shopping trip. Just when the little boy thinks he's going to die of boredom, something very unusual happens... shops everywhere are giving away a very special treat with every purchase - a free dinosaur! It's a dream come true... except, what exactly do you do with these Jurassic treats? And how do you convince mum to let you keep them?
