A comprehensive and accessible Student Book containing all the content you'll need to cover when you're studying the Edexcel GCSE (9-1) Business qualification, plus plenty of exam tips and examples that will help you to develop the skills you'll need for your written exams.

Developed with the IB for the new 2011 English A syllabus, this fully comprehensive course book is already used and loved in hundreds of schools worldwide. Containing unparalleled insight into IB assessment and fully covering language in cultural contexts, it will concretely equip your students to tackle the course and assessments.

The Coursebook is divided into 15 units each with defined language objectives, and a language review at the end of each unit The grammar reference provides explanations of key language points along with examples to aid usage. Exam style tasks develop students' awareness of the exam format Exam close-up boxes give students tips on how to approach each task type and develop skills The compact Exam Reviser booklet contains the essential language required for the exam iTest CD ROM provides authentic exam practice with instant feedback allowing students to identify areas which require further practice

Absolute clarity is the aim with a new generation of revision guide for the 2020s. This guide has been expertly compiled and edited by successful former teachers of Computer Science, highly experienced examiners and a good dollop of scientific research into what makes revision most effective. Past examinations questions are essential to good preparation, improving understanding and confidence. This guide has combined revision with tips and more practice questions than you could shake a stick at. All the essential ingredients for getting a grade you can be really proud of. Each specification topic has been referenced and distilled into the key points to make in an examination for top marks. Questions on all topics assessing knowledge, application and analysis are all specifically and carefully devised throughout this book.

Develop your grade 7 students sentence editing, punctuation, grammar, vocabulary, word study, and reference skills using 180 focused 10- to 15-minute daily activities.

Exam Board: CCEA Level: GCSE Subject: Science First Teaching: September 2017 First Exam: June 2019 Build your students' scientific thinking and practical skills with this textbook developed specifically for the 2017 GCSE specifications, from the No. 1 publisher for CCEA GCSE Science. - Develop understanding with clear Examples, Tips and Practical activities. - Prepare students for assessment with Test Yourself questions, Maths practice and Exam-style questions throughout. - Supports Foundation and Higher-tier students in one book.

This student book covers every skill and topic in the CIE First Language syllabuses 0500 and 0522 in depth, showing students how to make progress and achieve their target grades.

Overview of main world history, political science, economics and geography themes from the ancient world to the present. Includes practice exams with emphasis on writing skills, multiple choice, thematic essays and document-based questions.
