*Fitting Guides / Loft Ladders Direct*

Ladders generally won't fit in a car boot, so unless you have a van or a pickup truck, your best option is probably to place the ladder on the roof of your car (as pictured above). Whatever method you use, it's

# Where To Download Ladder Instructions Ladders Direct

very important to ensure that the ladder is properly secured before you set off.

## *How to Transport a Ladder - Ladders UK Direct*

- Ladder shall be on an even, level and unmovable base.
- Leaning ladder should lean against a flat nonfragile surface and should be secured before use, e.g. tied or use of a suitable stability device.
- Ladder shall never be repositioned from above (while standing on the ladder).
- When positioning the ladder take into account risk of
