secret societies they have formed. Sterling Seagrave traces their origins, shows us where they're at presently, a This is a fine little book comprised of, as the Publisher's Weekly review put it, a Chinese merchants' history.

### *Lords Of The Rim by Sterling Seagrave - Goodreads*

Lords of the Rim removes the veil somewhat, but you can only get so much into a few hundred pages, so the descriptions of historical events are brief but concise. I only wish the Seagraves had written a book on the U.S. because they really get behind the scenes to bring out all the background people with money who control the people and events we see on the news.

About the Book. A history of Chinese expatriate economics written for the lay person which has received mainly positive reviews. Presenting an in-depth view of the outstanding success of expatriate Chinese business people around the Pacific Rim, the author begins with a potted history of China's finance and business practices over the last three thousand years and the political reasons for the first tide of entrepreneurs to chance their luck overseas.
