In the early 1950s, the pioneering work of Robert Danis on operative treatment of fractures was in danger of falling into oblivion. Maurice E. Miller, impressed and intrigued by his contacts with Danis, first critically applied internal fixation and immediate mobilization to some 80 patients and found the basic concept confirmed, but in need of further development with regard to technology ...

~~Manual of INTERNAL FIXATION~~ |
SpringerLink

This publication presents the techniques of the AO-Group (the Swiss Association for the Study of Internal Fixation). This second revised edition represents their continuing effort to formalize the methodology for internal fixation of fractures in every area of the body. The publication is divided into three sections.

Internal Fixation of ...~~

Increasing demands for a description of
the AO technique of internal fixation has
stimulated us to publish this manual. In it
we shall describe in a comprehensive but
somewhat apodictic manner the principles
and techniques of the AO methods of
fracture treatment and reconstructive
surgery, which in our hands, have stood
