Slot Machines - Wizard of Odds

Where To Download Par Sheets Probabilities And Slot Machine Play

The probabilities and payoffs have to be listed for the base game, every feature and every bonus round. If a payoff or probability changes with denomination or bet per line, that has to be described on the PAR sheet too. Calling the collection of information about how a slot game pays its players a sheet has always underplayed the size of the document. Even back in the '90s, the PAR sheet was always four to six pages long.

The Importance of Understanding Slot Math

The Mathematics Department of Infarom will launch soon the project Probability Sheet for any Slot Game, dealing with collecting statistical data from slot players, using the data to estimate the parameters of the slot machine, refining the estimations with the newly collected data and computing the probabilities and other statistical indicators attached to the payout schedule of the slot machine, in order to provide the so-called PAR sheet of any slot game on the market.
