If you practice piano on a digital piano or keyboard, it's very likely that you have a built-in metronome on your instrument. On some keyboards, it may not seem obvious how to change the tempo. Check your user's manual – it's probably pretty simple. One of the simplest ways to use a metronome is to google “metronome.”

With these free piano lessons, you will begin learning how to play the piano by starting with the basics: piano notes & piano fingerings. Study and practice the first three lessons (“pre-lesson” & lessons 1 & 2), and then choose at least 5 (all 17 would be better) of the tunes to learn (one at a time). Each of these free piano lessons includes simple instructions, along with the notes and fingerings for every tune in 3 different keys (to learn about “keys” see “Piano Scales”).
