The prime time or the peak time is the block of broadcast programming taking place during the middle of the evening for television show. It is used by the major television networks to broadcast their season's nightly programming. The term prime time is often defined in terms of a fixed time period—for example (in the United States), from 8:00 p.m. to 11:00 p.m. (Eastern and Pacific Time) or 7 ...

British jazz is a form of music derived from American jazz. It reached Britain through recordings and performers who visited the country while it was a relatively new genre, soon after the end of World War I. Jazz began to be played by British musicians from the 1930s and on a widespread basis in the 1940s, often within dance bands. From the late 1940s British "modern jazz", highly influenced by ...
