We're all on a shared road to liberation ... he pours his soul into his nonprofit called ALMA. He wants people to know gay identity doesn't mean you have to sacrifice your Latino identity.

This book introduces executive coaches to developmental psychology and stage leadership development as a measure of coaching effectiveness. It explains how they can transform themselves and their clients by applying a holistic system stage shift with 8 drivers of transformational change. The stages within adult development/vertical learning is one of the fastest growing trends in leadership development today yet there is no "go-to" book that provides a simple outline of the stages of development in terms of executive capabilities and role levels. There is also very little available on the drivers and dynamics of later stage development and how these can be leveraged through the course of executive coaching... until now. Executive coaching remains a growing field with little in the way of proven pathways to measurable outcomes. The "Figure-8 Holistic Energy Operating System Stage Shift" is inspirational. It is a highly innovative and integrative approach to stage development that liberates the mind, spirit and heart to realise our unlimited human potential.

A spiritual leader featured in The Secret challenges readers to search within themselves for the key to unlocking their future

and changing their lives in amazing ways, in a book that teaches inner spiritual work, rather than religiosity or dogma, and is structured around the key themes of transformation, peace, abundance, and more. Original.

She Reflects invites us to journey through eight turns of a sacred spiral - a transformative process of softening, listening, daring, shedding and celebrating. At each turn, Erica Ross reflects on her life and asks us to do the same, through her personal stories, reflections, best practices, goddess mythology, original artwork and music playlists.

Hold Destiny within your hands as you hold a child within your arms. Let your heart guide you, and all will be known. Then from out of the silence, a voice will be heard, calling you gently and lovingly toward your Destiny.

This book contains • recent research about love and the heart's connection to the spiritual journey and healing; • specific strategies that focus your creativity and spirituality to increase your healing capacities; • proven methods to align your life with your soul purpose and to empower you to move beyond ego into the essence of who you truly are; • activities to help you consciously access your intuition and receive specific guidance to empower your goals; • information about past life times, karma, and the akashic records to empower you to deepen into your multidimensional nature and experience increased emotional, mental, and spiritual freedom; • exercises to help you experience more depth, intimacy, connection with your soul and joy.

The moving story of her own search for God by the highly-acclaimed author of the bestselling A History of God: The 4,000-Year Quest of Judaism, Christianity and Islam; The Battle for God: A History of Fundamentalism; and Islam: A Short History. In 1969, after seven years as a Roman Catholic nun -- hoping, but ultimately failing, to find God -- Armstrong left her convent. She knew almost nothing of the changed world she was entering, and she was tormented by panic attacks and inexplicable seizures. Her struggle against despair was fueled by a string of discouragements -- failed spirituality, doctorate and jobs, fruitless dealings with psychiatrists -- but finally, in 1976, she was diagnosed with epilepsy and given proper treatment. She then began the writing career that would become her true calling, and as she focused on the sacred texts of Judaism, Christianity and Islam, her own true inner story began to emerge. She would come to experience brief moments of transcendence through her work -- the profound fulfillment that she had not found in the long hours of prayer as a young nun. Powerfully engaging, often heart-breaking, but lit with bursts of humour, The Spiral Staircase is an extraordinary history of self.

What if a wise and loving soul gently took you by the hand and showed you how to be happier than you've ever been before? If you are stressed out, hurting, anxious, or in pain, you need Comfort, Healing and Joy. This book of heartfelt essays takes you on a journey from pain to happiness. Appropriate for people of all ages who are searching for a way to bring more joy into their lives, this book offers peace of mind and hope. Comfort, Healing, and Joy is a beautifully written,

penetratingly insightful treasure trove of profound truths and practical how-to exercises that will interrupt the patterns which hold you back and shows you how to increase your current level of happiness. When you read this gentle and uplifting book, you will feel accepted, understood, and guided by a kind and steady hand. You will find ways to stop self-created suffering, gain peace of mind, and share the radiance inside you with the world. David Fox, M.D., spent three decades discovering and cultivating powerful skills that will allow you to transform yourself, no matter what problems you are facing, Based on wisdom gained during his own personal journey and his work caring for high risk patients, Dr. Fox brings a healer's touch to this affirming book. **REVIEWS** Comfort, Healing, and Joy is a caring guide that ushers us into claiming our birthright of inner and outer wholeness. It is a most excellent medicine for healing any sense of lack, limitation or unworthiness, and for stepping into the innate capacities of the human heart and spirit. Savor it! Michael Bernard Beckwith author of *Spiritual Liberation Fulfilling Your Soul's Potential*

This book is about breaking through the barriers that keep us from experiencing our true nature as light. It presents inspiring science and philosophy in a way that is completely accessible to anyone, to reveal and explore the universal laws and principles that underlie our very existence. Those principles are set forth in extraordinary but true stories of ordinary people having astonishing and moving life experiences, and they make the most profound concepts easily understood. Most important, it is an extremely real and practical manual for understanding why we live the way we do, and how to transform our lives into our highest vision. You will learn a formula to manifest your dreams, discover the secrets of opening your heart beyond anything you have imagined, find out how to increase love and appreciation for every aspect of your life, receive profound insights on how to create more fulfilling and caring relationships, reawaken your birthright as a true genius, transcend the fears and illusions surrounding the myth of death, and reconnect with your true mission and purpose on Earth. That is all true, but mainly, this book will deeply touch and inspire you with respect to your own greatness and potential—and the magnificence of every single human soul. This is not just a book, it is what the title implies—an Experience—and it is impossible to go through it without being moved, challenged, and changed. Welcome to . . . The Breakthrough Experience.

Service can be briefly described as the spontaneous effect of soul contact. This contact is so definite and fixed that the life of the soul can pour through into the instrument - the personality - which the soul must perforce use upon the physical plane. This book contains a comprehensive collection of quotations to stimulate thought and increase our understanding of service and its vital importance at the present time.
