Victorian Scrapbook The Victorian Era represents the cradle of our modern society - a time when social change and new technology heralded an industrialised economy. By the time of Queen Victoria's Diamond Jubilee in 1897, claims were proudly made of the progress since her accession to the throne.

Historical Scrapbook-Victorian-AlzPresents

Scrapbooks can be an extremely authentic and creative form of storytelling, and as such, scrapbooks—particularly from the Victorian Era, when the hobby was all the craze by women and children—are today highly valued by collectors and historians, not only for the stories they tell about the maker as a complete assemblage, but for the individual elements of ephemera often found within.

Victorian Scrapbook: Manuscript Paper ...

There were certain significant innovations in the mid-Victorian period but, in general, it is true to say that the main lines of fresh development had been laid down before 1840. The railway, the steamship, and the telegraph brought Birmingham into closer touch with a larger market and this gave an impetus to the industries which had been handicapped by the high ratio of weight to value ...
