How do I find out if I have a pension from an old job? Around one in ten people have a pension from a previous employer that they've forgotten about or lost touch with. It's vital to know about these, even if they're small, as otherwise you won't be able to work out your total pension savings or calculate your likely retirement income.

What to do with a 'frozen' pension from an old job

At the start of the year, if you had asked anyone if they could do their work from home, many would have said no. They would have cited the need for team meetings, a place to be able to sit down and get on with their work, the camaraderie of the office, and being able to meet customers and clients face to face.

24 Wonderful DIY Ideas To Do With Old CDs

If you can't pay your old TV forward, recycling it is the next best thing. Most states and districts have e-waste services that will allow you to recycle your old TV, and finding them is pretty easy. Check out a site like <http://www.eiae.org>, where you can select your state and find a list of recycling centers by town/district/zip code, as well as whether they accept items like TVs and computer monitors.

Don't throw your old TV out-do this instead - Reviewed ...

This one's a bit obvious, but it's worth stating: when your current Chromebook stops getting updates, the best thing you can probably do is buy a newer device. In addition to getting security updates for the next several years, you'll also make a big leap when it comes to processing power, memory, and battery life, meaning your new Chromebook will be more enjoyable to use.

What To Do When Your Chromebook Reaches the End of Its Life

If your old tablet is preparing for a new stationary experience, there's no reason why it can't be permanently hooked up to your speakers or dock via its 3.5mm audio jack.

10 great things to do with an old tablet | BT

When you buy a new mobile phone in a shop, ask how you can recycle your old one. Most provide postal envelopes you can use. If your unwanted phone is in good working condition and reasonably up-to-date, shops such as Cash Converters and CeX buy electrical or electronic items, especially if you have the original box and instructions etc.
